

BONITA ABRAMS
LATIN AMERICA & THE CARIBBEAN

MINISTRY FOCUS: To help the Cuban church grow in the knowledge of God's Word, mentoring and encouraging pastors and professors to pass on their knowledge of how to faithfully live out God's Word to their people.

We minister to a number of elderly Cubans who suffer from significant food insecurity, caring for their physical needs while seeking to offer them eternal hope and comfort. This has resulted in a number of these elderly people coming to faith in Christ.

How you can help at this time.
